Mandate of ENCePP Task Force “non-interventional studies”

Task Force on Definition of non-interventional studies

Chair: Kevin Blake (Acting)

- To prepare a position statement on the interpretation of the definition of non interventional studies under the current legislative framework (by the end of Q2 2011).
- To elaborate a proposal to be presented to the European Commission for the next revision of the legislation on Clinical Trials (by the end of Q2 2011).
