

Request to post announcement in ENCePP Partners Forum

The ENCePP Partners' Forum is a platform for discussions and announcements accessible to ENCePP partners only. However, the ENCePP Secretariat will consider requests from third parties to post announcements in the ENCePP Partners' Forum. All such requests have to be submitted via this form. The ENCePP Secretariat will process the request and place the announcement in the forum on behalf of the requester.

The ENCePP Secretariat reserves the right to reject such requests on a case-by-case basis, in particular when it is incompatible with the "Mandate, Objectives and Rules of Procedure for the ENCePP Plenary".

Please complete all mandatory fields and email the form to: encepp_secretariat@ema.europa.eu

Dear ENCePP Secretariat,

We would like to request publication of the following announcement in the ENCePP Partners' Forum. We confirm that the information contained therein is correct and current to the best of our knowledge, and acknowledge that the ENCePP Secretariat accepts no responsibility for the content of material and/or announcements posted to the forum, including, without limitation, any error, omission or inaccuracy therein.
